Native American Ferns and Wild Flowers

HOW TO ORDER WILD FLOWERS

SHIPPING INSTRUCTIONS.

Please state how you wish your order shipped. If no instructions are sent by a customer, we will use our best judgment, but will not be responsible for delay in transit.

PRICES. All prices are for plants f.o.b. Exeter, transportation charges to be paid by the purchaser. Six plants of one kind will be sold at the dozen rate, 50 plants at the 100 rate. If a single plant of one kind is desired, take one-third of the rate given for three and add 5 cents. Leaf-mold and Pine Needles cannot be shipped by Parcel Post.

TERMS. All orders should be accompanied by full amount

in cash, check or money order.

CLAIMS. When the plants are received, examine carefully and, if damaged in transit, notify the transportation company at once, entering claim with them for the amount of the damage. We are not responsible for damage in transit, but if the plants are unsatisfactory through fault of ours, notify us at once, and we will either replace or refund your money. Any complaint regarding the quality of the plants must be made within 10 days of receipt of plants.

GUARANTEE. All plants are guaranteed true to name and free from disease. Each shipment will be accompanied by a Certificate of Inspection.

Leaf-Mold Peat

Most of the Wild Flowers and Ferns grow naturally in a soil composed largely of Leaf-Mold. We are offering finely ground, screened, Leaf-Mold in 2-bushel bags. Weight 100 pounds. The Leaf-Mold should be mixed with the soil to the depth of several inches. It retains moisture, and also greatly benefits the condition of the soil. 2-bushel bags, \$2.50. By express or freight only.

Pine Needles

These are very useful for a mulch around acid-loving plants, such as Trailing Arbutus and *Cypripedium acaule*. Pine Needles may also be mixed to a depth of several inches in the soil where one is going to plant any of the acid-loving plants, particularly the *Cypripedium acaule*. These Pine Needles will be partially decomposed, and are ideal for the purpose intended. Price per 2-bushel bag, \$1.50; 5 bags, \$5.00. By express or freight only.
